

FOR IMMEDIATE RELEASE
MAY 21, 1974

A 1963 graduate of Albion Jefferson High School, he was active in athletics, basketball, cross country, and was a member of the school's band and chorus, as well as the National Honor Society. He was state representative for the Governor's Youth Council, was a member of the Future Farmers of America and was active in the Youth Fellowship of the Methodist Church.

Trumin is married to the former Deborah Rhodes, daughter of Mrs. Margaret Rhodes, 16 West 7th Street, Veedersburg, Indiana. They met in Fort Wayne while Trumin was attending the I. U. regional campus. Deborah is a graduate of the I. U. School of Dentistry with an associate degree in dental hygiene and a bachelor's degree in dental health education.

The Caribbean and North Atlantic were among his travels in his four-year tour of duty as an operating room technician.

Trumin served as legislative representative for the state association of nursing students, was a member of the undergraduate faculty council in his junior and senior years, vice-president of the Indiana Association of Nursing Students, and a member of Sigma Theta Tau, national honorary society for nurses.

Jack is the son of Mr. and Mrs. Gottlieb Stauffer, R. R. 6, Box 6, Decatur, Indiana. He is a 1965 graduate of Decatur High School. He was active in football, wrestling, track, Lettermen's Club, choir and speech club. He was a master counselor of the Decatur chapter of the Order of De Molay, was a student Rotarian, and president of the youth fellowship at the United Church of Christ during his junior and senior years.

At the I. U. School of Nursing, Jack served as vice-president of the senior class and was a member of the design committee for emblems. He also is a member of Sigma Theta Tau.

Jack served part of his time in Vietnam. He married the former Judie Cemp, daughter of Mr. and Mrs. Cecil Cemp, 1727 Robinhood Lane, Memphis, Tennessee. They are proud parents of three children -- Debbie, 7, Thad, 4, and Tiffani, 2.

These men served in the Navy as nurse corpsmen. Now they will serve as ensigns. Little did they know when they arrived in San Diego, California, for their basic training within six months of each other, that they would be heading East together this month for orientation at Newport, Rhode Island.

Trumin will be stationed at the U. S. Naval Hospital, New London, Connecticut, and Jack at the Naval Regional Medical Center, Jacksonville, Florida. Besides their stripes of ensign, they are proud of their diplomas from the I. U. School of Nursing - with their specialty as family nurse practitioners.

Taking the oath as ensigns in the U.S. Navy are (left to right) Trumin Brown and Jack Stauffer who have just received their B.S. degrees in nursing at graduation ceremonies at the Indiana University School of Nursing at Indianapolis, Indiana. First from the Navy to graduate from the school, both men are commissioned as family nurse practitioners, a new field in the nursing profession.
